To break the confines of the classroom and dispel student passivity while making learn Sivaswami Ayyar Girls Higher Secondary School, Mylapore on a Heritage Walk on Mou

Students were regaled with interesting stories about commercial establishments such Higginbothams which have an entrenched association with the eclectic Anglo-Indian c

**Madras Inherited**, an initiative by a group of architects and volunteers with the aim to u heritage walks and documentation of the fast disappearing residential structures in the

This immersive heritage walk served as a time travel for our young children who were p with domes, spires, 100-foot minarets, arches, and verandahs. They felt like they were k Chennai, experiencing the city through a new lens.

This enriching multisensorial learning experience introduced a new dimension to histor certain that this walk successfully sparked curiosity in these young minds. Our heartfel
